 KOOZIES DONATED BY
 JESSE BECKER

I just wanted to give you a little background on why our family chose this charity....M.E.N.D.

Our family lost two baby girls within four months – Jordan Marie Stapp and Ava Rae Arce. Since this has happened to us we are more aware that it is happening today and every day all over the world. We wanted the girls to be buried beside each other but sadly to say there were seven infant deaths during that span of four months. In order to help our hurt, we formed the Butterflies & Birdies Charity Golf Tournament. Our butterfly logo with the girl's initials to me is a sign of change and renewal, a promise of hope and a chance to be strong and free. There is always a rainbow after the storm. Giving to others is good – good for them and healing for you. Life is hard... but God is good.

Some of you I don't know and some I do. Sometimes the person who can help the most is the person that has experienced a similar situation. I believe that whatever the situation is, I feel the Lord puts people in our lives at just the right time to help us with our journey. Thanks for being here today!

I hope our family will continue and always pay it forward! Thanks for coming and hope to see you next year!
